It is the responsibility of the Buyer to place the material closest possible to the mounting site and to ensure an acceptable accessibility of the mounting site, in accordance with the assessment of Service and Mounting department.

If mounting coincides with other on site work performed by third party, mounting is carried out at an hourly payment rate.

When Buyer self is responsible for mounting, all adjustments to the equipment are at own risk (pipes, board profiles etc.) regardless of any acquired supervision from ACO FUNKI A/S.

Self-supporting cast iron

Due to production method fluctuations in dimensions and sizes may occur. As a result, the product may be uneven.

None of these fluctuations are of any significant importance to the product functionality. Cast iron slats are only intended for pigs and should not be exposed to any other strain.
